

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead or impairing the public confidence in this medicine, has won for it public confidence in this medicine, has wen for it an appreciation and actoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of aufferen, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discoved, this has gainer friends by every tinal, conferred benefit upon the afflicted they can aever forget, and produced cures ov admerous and too remarkable to fuced cures ou admerous and too remarkable to

While is a fraud on the pob ic to pretend that any one medicine will infellibly cure-still there is abundant proof that the Channa Pacronal does not only os a general thing, but almost invariably cure the malrdies for which it is employed.

As time makes these facts wider and better

known, this medicine has gradually become the in of the American Pensaut, to the Palucos of Uuropean Kings. Throughout this entire country, in every State, city, and indeed in almost every hamlet it contains. Change Pactoral is known hamlet it contains. Change Pactorial is known as the best remedy extent for diseases of the Throat and Lungs, and in many forein countries, it is coming to be extensively used by their most intelligent physicians. In Great British, France and Germeny, where the medical sciences have reached their highest perfection, Change Pacronal is introduced, and in constant use in the armies, Haspitale, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly inci-
